

# 2<sup>nd</sup> International Invasive Lobular Breast Cancer (ILC) Symposium

May 14th-16th, 2020 | Pittsburgh, PA

# Save the Date!

**Target Audience:** This international symposium is directed primarily towards researchers interested in lobular cancer, as well as medical, surgical, and radiation oncologists interested in the treatment of patients with LCIS and ILC. Patient advocate breakout sessions and networking opportunities will be included in the program. Patient advocates for lobular cancer and other health care professionals encouraged to attend.
